HAVE A SPOOKY HALLOWEEN

A vibrant Halloween-themed illustration. The background is a gradient of teal and blue, representing a night sky. Silhouettes of gnarled, leafless trees frame the scene. Several glowing jack-o'-lanterns with carved faces are scattered throughout, some hanging from tree branches and others on the ground. In the center, several black bats are flying. At the bottom, there are silhouettes of grass, a few more pumpkins, and two large, skeletal hands reaching upwards from the ground. The overall mood is spooky and festive.
